

The American Embassy is accepting applications for the following position:

Mechanical Maintenance Technician/Plumber

Salary range \$26,121 - \$39,181/year

The successful candidate will be employed as Mechanical Maintenance Technician/Plumber to carry out skilled maintenance and repair work to the mechanical and plumbing systems throughout the Embassy and U.S. government owned and residential properties. Job holder receives written or verbal request for maintenance services and ascertains all of the necessary information to determine whether the work is of a routine or emergency nature. Familiarization of general mechanical and electrical systems and relevant codes is required.

Interested candidates are required to possess the following skills and qualifications:

- **Education:** Completion of High School and completion of two-year vocational training program from an accredited institute recognized as producing journeyman level mechanical maintenance specializing in building systems or plumbing maintenance is required.
- **Experience:** A minimum of 4 years of journey-level experience in the repair and maintenance of mechanical and plumbing systems inclusive of 2 years' experience in liquid propane appliances and equipment installation is required.
- **Skills:** Must be skilled in mechanical maintenance, LPG appliance installation, and plumbing installation, repair and maintenance. Must have a Bahamian driver's license and the ability to drive passenger vehicles and pickup trucks with manual and automatic transmissions. Job holder must be able to produce detailed and concise written reports in English to the Maintenance Supervisor and/or Facility manager as required. Additionally, the job holder must be able to comprehend engineering reports provided by Mechanical Electrical & Plumbing (MEP) Subject Matter Experts.
- **Language:** Level III in both English written and spoken proficiency is required.

The complete Vacancy Announcement and Application forms are available online at:

http://nassau.usembassy.gov/job_opportunities.html.

Electronic submission of applications must be submitted to the following email: NassauHR@state.gov for consideration.

Applications will not be accepted at the Security Gate of the Embassy.

Deadline: March 4, 2016.

Due to the high volume of applications, unsuccessful candidates will not be contacted.
